Sir:

RESPONSE TO RESTRICTION REQUIREMENT

In a restriction requirement dated April 18, 2002, the period for response to which extends for one month thereafter, the Examiner required restriction under 35 U.S.C. § 121 between Group I, claims 1-19, characterized by the Examiner as drawn to methods and systems for analyzing various data types to identify cluster groups of related objects; Group II, claims 20-44, characterized by the Examiner as drawn to methods for interactively generating and displaying reports by selecting a set of records and their associated attributes; and Group III, claims 45-58, characterized by the Examiner as drawn to method and apparatus for visualization of multiple queries to a database. Applicants provisionally elect to prosecute Group I, claims 1-19.
